The 1985 Corvette represented the second year of the fourth generation of Corvettes. In 1985, a better fuel injection system was introduced to the Corvette. It was called Tuned Port Injection, which replaced Cross Fire Injection. The new 350 cubic-inch engine had a new designation called the L98. This

The Chevrolet Corvette (C4) is a sports car produced by American automobile manufacturer

Chevrolet from 1983 to 1996. The convertible returned, as did higher performance engines, exemplified by the 375 hp (280 kW) LT5 found in the ZR-1. In early March 1990, the ZR-1 would set a new record for the highest 24 hour-5,000 mile land-
