How to link the throttle for the Harbor Freight Predator 3HP 79 cc engine

Janrui Carburetor for Harbor Freight Predator 79cc 99cc ...
We are working with our vendors to have a billet rod and billet flywheel made for the 99cc Predator. Once we can get those two parts we can transform this engine into a little beast. This process will take a while as the machine shop has some more important products lined up first for more popular engines.

Comparing the 79cc, 98cc and 99cc to the Hausheng and Super Titan is that the former would have more torque. Since you want to get up the hills, you'd want an engine with more low end torque. You have to search the Internet form the performance curves on the engines. The only one you probably wouldn't find is on the Super Titan.
