Young or old, your brain is essential to everything you do. You owe it to yourself not just to stay physically fit, but to stay mentally fit, too! This book of logic and number puzzles will help you do just that. A collaboration between Mensa and AARP, it is packed with brain teasers to exercise your mind and keep yourself sharp.

A Mensa Book Of Brain

Mensa: Logic Brainteasers [Philip Carter Ken Russell] on Amazon.com. *FREE* shipping on qualifying offers. This book contains a fiendish collection of over 150 mind games to tax your powers of logic in ways you had never thought possible! All kinds of logic brainteasers are included in this Mensa-branded book that will ensure your brain cells never have a chance to rest!

The History of Mensa | Mensa International

Just as the book is a great way to spread knowledge about the brain to the public, TED Talks are also a great way to highlight the revolution now happening in brain research. TED events are incredibly professional, and I was regularly coached by communication specialists for a long time before the event.

Mensa Books | List of books by author Mensa

Abbie F. Salny, Ed.D., is the Supervisory Psychologist of American Mensa, has written many best-selling puzzle books, including The Mensa Genius Quiz Book. Members of Mensa have all scored in the top two percent of the population on a standard intelligence test.

ThriftBooks sells millions of used books at the lowest everyday prices. We personally assess every book's quality and offer rare, out-of-print treasures. We deliver the joy of reading in 100% recycled packaging with free standard shipping on U.S. orders over \$10.

The Benefits of Mensa Membership

It is an honour to be a member of Mensa. From the very first moment, my eyes have been sparkling: finally, I arrived in a place where people share similar thoughts, say similar puns, have similar associations like I have.

Mensa Math & Logic Puzzles

Mensa is a round-table society ("Mensa" means "table" in Latin), where race, color, creed, national origin, age, politics, educational or social background are irrelevant. There is just one criterion for eligibility: an IQ equal to or greater than the 98th percentile on an internationally-standardised IQ test.
