**[SPOILERS] Truth is a shard of ice... (Sword of Destiny ...**  
The town is kinda focused on the legend of the Ice Queen, whom men follow and get hit with the shards of ice surrounding her sleigh. The truth is that Geralt can never fully have Yen, much like the men smitten by the ice shards of the Ice Queen. It hurts, and it's the cold truth. Yen couldn't commit to him, and it hurt.

## **Ice Shard - Official Conan Exiles Wiki**

Ice Shard deals damage and has a priority of +1. Moves with a higher priority always go first, regardless of a Pokémon's speed. If two moves with the same priority are used, the faster Pokémon goes first as usual. Z-Move effects. When a Pokémon is holding Icium Z and uses its Z-Power, Ice Shard turns into Subzero Slammer and has base power 100.

Ice shards and Ice not the same, you don't get ice shards from the ice nodes, only from the trees. Actually, the shards come from the hoar frost axe itself. (correct me if I'm wrong). That is what I'm saying too, you need that axe to cut tree, you won't get any shard to hit the ice node with it. #10.
