Organizational systems lead to better classroom discipline. For example, if a teacher has a warm-up or do-now on the board when students enter the room, this gives them a framework for starting the day that is lesson-centered. Students are expected to sit in their seats and begin working when they enter the class.

Why Teachers Must Be Good Organizers
Organization is the key to a smooth-running classroom. It helps students know what to expect and gives them structure when working. My biggest takeaways from this year are (1) label things that you want students to be able to use independently (2) keep things at 1st-grader height and (3) figure out a color-system that makes management easy.

Organization: Advice for Parents.

Prepare for the day ahead. Before your child goes to bed, he should pack schoolwork and books in a book bag.

The next day's clothes should be laid out with shoes, socks, and accessories. This will cut down on morning confusion and allow your child to prepare quickly for the day ahead.
