[Book review: The therapeutic treasure box](#) [\(Dr K. Treisman\)](#)

The perfect tool to add to any 'therapeutic treasure box', this set of 68 cards provide a way to help open conversations and structure discussions with children and adolescents aged 6+. The treasure deck offers a fun, non-threatening way to help to build understanding and forge relationships.

[Review](#) [Therapeutic Treasure Box | The Fostering Network](#)

She also is the author of 8 books, including the bestselling book, "The therapeutic treasure box", and of 3 sets of therapeutic card decks. Karen has extensive experience in the areas of trauma, parenting, adversity (ACE's) and attachment, and works clinically using a range of therapeutic approaches with families, systems, and children in ...

[A Therapeutic Treasure Box for Working with Children and](#)

When children want to take things home in therapy or have difficulty ending the session, having a treasure box can help ease the transition out of the therapy room. It can be offered as an alternative to the toy they want to take home.

[A Therapeutic Treasure Box](#) [Media Review](#)

A Therapeutic Treasure Box for Working with Children and Adolescents with Developmental Trauma Dr. Karen Treisman The essential resource for anyone working with children or teens who have experienced trauma - provides an overview of the latest theory, good practice and a treasure trove of activities and handouts - a valuable addition to your bookshelf which is destined to be used again and again.

[Should Your Play Therapy Room Have A Treasure Box?](#) [Jen](#)

To go alongside the book, a series of therapeutic treasure box resources will be released. The first being a therapeutic treasure deck of sentence completion and feelings cards. This comes with 68 brightly coloured cards designed to enrich discussions, assessments, and explorations with children and adolescents.
