Twist of the Wrist I & II FREE PDF Plus Video

The Twist of the Wrist series is one of the best sources to learn from, and if you can implement what Keith talks about to a decent level then you'll find yourself as one very competent rider. After my second crash I decided to take my riding more seriously and this DVD was my first port of call in my quest to better myself and my riding skills.

Twist Of The Wrist? Worth The Read/Watch?

covers throttle control..body position..tension on bars..turning point...flick rate. From the CSS wizard Keef Code, twist of wrist. Minimal cheesey acting version.

Twist Of The Wrist: It Might Be Bad, But You Learn Stuff

A Twist of the Wrist II (2009) - IMDb

This product is usefull for beginners, however, the same concepts IMO can be learned from reading the book, a Twist of the wrist. I sat through and watched the DVD for the full length, I am not sure if I picked up anything by watching a graphic version of the book, which is basically what this is.

A Twist Of The Wrist

A Twist of the Wrist (1) Twist of the Wrist 1 and 2 were recommended to me, along with Proficient Motorcycling, as guides to help beginners understand the mechanisms of riding motorcycles. I found Twist of the Wrist 1 was more involved with racing on a road course than dealing with daily riding/traffic.
