Special Design Abrasive Suction Hose

Tube: Oil Resistant Synthetic Rubber. Cover: Abrasion,Ozone And Weather Resistant Synthetic Rubber. Reinforcement: High Strength Synthetic Cord Plus Helix Wire. Temperature Range:-40°C To 80°C Appearance: wear-resistant sandblasting hose, a kind of material conveying pipe. Common black, sub-yellow or transparent; outer plastic packaging tape wrapped mostly, common between the outer and outer ...

ABRASIVE MATERIAL HOSE - Green Line Hose & Fittings

Often called sandblast hose, this hose is made of tough gum rubber that stands up to sand, steel shot, and other abrasives. The hose and cover materials are conductive to dissipate static buildup. The cover is pin pricked to prevent blistering. Claw couplings have a unique head style that connects only to other abrasive quick-connect couplings. To connect, push the couplings together and twist ...
