Nissan Altima Questions - Is this serious? - CarGurus

A service engine soon light began to illuminate on the dashboard. The failure began to recur intermittently and the vehicle was taken to an independent mechanic where he was informed of a recall for this failure.

Engine Light Is On: 2007-2013 Nissan Altima - What to Do ...

Hi, I've been having trouble with my 05 Altima. Periodically, the SEL will blink and the car will start to shake and shimmy (misfire). It will do this for 2-3 minutes then suddenly stop, the blinking service engine light will go off, and the car will run as if nothing happened.

Nissan Altima service engine soon light came on

The service engine soon light is often mistaken for the check engine light. The check engine light is a light to warn you to a possible issue with your exhaust system or emissions system. The service engine soon light can come on for minor issues like a loose gas cap, or for more major problems such as possible engine failure.

How to Reset the ECU (Service Engine Soon Light) on a ...

There are two methods for resetting the "service engine soon" light on a Nissan Altima. One method, which is the most convenient, is to use a code scanner, which you can purchase at any auto parts store. The code scanner will display the codes automatically and has an accompanying code sheet.
