I suggest you not to buy online project reports or training reports. Your teachers will come to know, there are chances, you may get fail or will have to reappear for viva or resubmit your training report. You might have been allotted a project d...

*TRAINING REPORT AND PROFESSIONAL EXPERIENCES*

Industrial Training is important for making an engineering student work ready. To graduate from an engineering program at UNSW all students must complete a minimum of 60 days of approved Industrial Training. It means, not only do you graduate with some real on-the-job experience, you also qualify for accreditation by Engineers Australia.
