College Physics Student Solutions Manual

I purchased this solutions manual with the hopes of practicing all of the problems at the end of each chapter in the College Physics text book--unfortunately, this solutions manual doesn't provide ANY answers to the conceptual or multiple choice problems. Instead, it only provides answers to SOME of the odd numbered problems, and these answers ...

A solutions manual is another kind of supplemental manual but, it provides the right answers to problems, questions and case studies found inside a textbook. This kind of manual is necessary for students to completely understand what the material in the textbook is saying and compare the results they get with the right ones.
