Fox 32 Seal Kit Often overlooked when it comes time for upkeep the fork seal can have a significant impact on how your suspension fork performs. Along with your oil replacing the seals on your fork regularly is vital to ensuring you get the most out of your frontend suspension. The purpose of a seal is to retain lubricant within the fork for ideal lubrication and smooth travel.

2012 Fox 32 Float 29 100 FIT RLC Fork Review. By Jason Mitchell on December 9, 2011 5 Comments. There's always something new up the sleeves of Fox Racing Shox when the model year flips over. It seems that we've been fed a steady stream of new goodies from 15QR to FIT damper to Terrallogic and now Kashima. But when it comes down to where it ...

The RL is quite a bit lighter than the RLC if you can find one on ebay or the like. The F100 RL is 3.3 (~1500 grams) pounds advertised on Fox's website. I'm pretty sure that the RL's only come on Specialized's though. I weigh 235 and I have a F100 RL on my Epic and it's amazing. I have ridden 3 bikes with a Reba and I like the Fox better.
