Grammar Usage

Correct usage is “correct” only insofar as “experts” agree upon a particular “rule.” Usage applies to everything talked about so far in this blog post: grammar, punctuation, and/or mechanics.

usage. . . .Each language has its own systematic ways through which words and sentences are assembled to convey meaning. This system is grammar. But within the general grammar of a language, certain alternative ways of speaking and writing acquire particular social status, and become the conventional usage habits of dialect
