A depot plate may be used by the repair facility to transport vehicles to and from the dealer's place of business or storage to the repair facility, or for road testing the vehicle after repair. Depot tags cost \$5 per year and are limited to one plate per mechanic or service technician employed by the repair shop.

I was very surprised that nobody could take 10-15 minutes of time to do this. What is unfortunate is that they have good reviews which is why I went there, but I guess I will never know. I later went to another repair shop that was more than happy to help, Sill Terhar collision repair. Bad first experience and likely the last.
