National Geographic Kids Everything - Penguin Random House
The newest published in October is National Geographic Kids Everything Dogs: All the Canine Facts, Photos, and Fun You Can Get Your Paws On!. My kids gravitate toward books that have a magazine type set up when it comes to nonfiction. They love the visuals and the ability to read the pages that interest them without reading the entire book.

Domestic Dog. Dogs were probably the first tame animals. They have accompanied humans for at least 20,000 years and possibly as many as 40,000. Scientists generally agree that all dogs, domestic and wild, share a common wolf ancestor; at some point grey wolves and dogs went on their separate evolutionary ways.
