News from Nowhere and Other Writings book by William Morris

The "Nowhere" of News from Nowhere (1890) is England in 2102, an ideal pastoral society born out of revolution. It is as compelling a dream of the future as the nightmares of Brave New World and Nineteen Eighty-Four. Exhilaratingly, it reminds us that nothing is inevitable about the way we live—now or in 1890. ... News from Nowhere and Other ...

News from Nowhere and Other Writings by William Morris

The title story, "News from Nowhere", is a Socialist Utopia like Bellamy's "Looking Backward." In fact, Morris wrote an intro to Bellamy's brief book, and criticized it (gently) for not going far enough. Morris' view of that happy future occupies about half of this thick compilation.

News From Nowhere And Other

News from Nowhere will not rank as my favourite book of all time but is a genuinely interesting vision of socialism, the language is often great and it is also a great exploration of the man's psyche as the 3 main male characters are evidently different aspects of himself.
