would predict, and sometimes we may have a hard time explaining the connections.

Nevertheless, that is how science makes progress. In this part of the laboratory activity, you will make a few observations about yourself and your classmates; then you will look for patterns or connections. Safety

Online Library Ny State Lab Making Connections

Safety is important during any laboratory activity.

THE STATE EDUCATION DEPARTMENT

If you relaxed for 1 minute then you should be able to squeeze the clothespin more times because you have relaxed and you are able to move more and squeeze the clothespin multiple times. Conclusion
