Poultry farming - Wikipedia

Poultry also includes other birds that are killed for their meat, such as the young of pigeons (known as squabs) but does not include similar wild birds hunted for sport or food and known as game. The word "poultry" comes from the French/Norman word poule, itself derived from the Latin word pullus, which means small animal.

Pastured Poultry Profit Net 25

A Dozen Eggs, LLC is a small family-run farm. We sell eggs from our hundreds of pasture raised chickens, all raised at the farm since they were several days old.. The chickens leave their coop in the morning and come back to sleep at night. All of the new chicks coming to the farm are shipped as day-old chicks so no other poultry is introduced.
