ENGINEERING REVIEW
HANDOUTS/MATERIALS

The Board regulates the practices of engineering and land surveying in the state of California by evaluating the experience and administering examinations to prospective licensees and by enforcing the laws regulating licensed professional engineers and land surveyors.

That gives more pressure on civil engineers today to be aware of the challenges that the profession is facing. It no longer enough to do what is only required to do on the job, but it is also important that civil engineers are knowledgeable on the present issues dominating the field in the hopes that they will be addressed right away
