A self-reflective essay is a brief paper where you describe an experience and how it has changed you or helped you to grow. Self-reflective essays often require students to reflect on their academic growth from specific projects or assignments, though others might require you to think about the impact of a specific event in your life.

~~Self Reflective Journal—Online Essay Help~~

In a reflective essay, a writer primarily examines his or her life experiences, hence the term 'reflective'. The purpose of writing a reflective essay is to provide a platform for the author to not only recount a particular life experience, but to also explore how he or she has changed or learned from those experiences.
