Recently I posted my new twist on the excellent GTD system, Zen To Done (ZTD): The Ultimate Simple Productivity System. However, reader Mark Siegal said that the system seems to complex. So I now present the minimalist version of ZTD — a way to be productive without all the fuss. The Four Habits 1 collect. Habit: ubiquitous capture.

Zen is very inclusive and you will find no pressure on you to change your religious or spiritual beliefs. Zen is a way of refining your life by carefully and directly observing your own mind. Zen emphasises the responsibility of each of us for our own lives, and that the only true teacher is one's own experience.

Presentation Zen Simple Ideas On Presentation Design And ...

On nice days (like today) I sincerely think that life is very simple: we only make it complicated. I think there is only one internal force that drives all human activity; it is the search for safety. This was developed during the evolution of all lifeforms and thus also in humans. We can see it has been a very useful drive if look at how successful humans have been in controlling the world ...

Zen is a Chinese school of Mahayana Buddhism. Buddhism was first brought to China from India, by Bodhidharma. It developed in China, into Zen, in the 6th century. From China it spread to Vietnam, Korea and Japan.. Zen is a Japanese word translated from the Chinese word Chán, which means "meditation".. Zen uses meditation to help practitioners go beyond simply thinking about Zen.

Zen - Simple English Wikipedia, the free encyclopedia

Simple Zen is a comprehensive and accessible introduction to Zen's history, themes, and uses in our modern Western world. Beginning with a history of Zen from the time of its origin to the present, the book goes on to outline the themes and practices associated with Zen, such as koans, meditation, enlightenment, and ethics.
