If you watched my Secret Academy Interview, then you already know my secret to success was my unique cold calling strategy that took me from \$200 to \$2,500 a week. My strategy was not only focused on what I said, but also who I said it to, making it very effective, and the same principles still apply today.

Selling scripts are designed to be linear and step by step so you can move calls in the direction you want them to go. From the traditional selling point of view, that direction is toward a yes, because if you don't get a yes at the beginning of the cold call, you're not selling. But that's the biggest problem with scripts.
