Expressed Powers

from Mr. LeBlanc

"Expressed powers," are powers granted to the government mostly found in Article I, Section 8 of the US Constitution within 18 clauses. Expressed powers, also known as the "enumerated powers," include the power to coin money, regulate foreign and interstate commerce, declare war, grant patents and copyrights and more.

Transcript of The
Expressed Powers of
Money and Commerce.

The Court ruled that
the states, not the
federal government,
have the power to pass
that type of law. During
the Revolutionary War,
both the states and
Congress issued paper
money. Neither
currency could sustain
its value with the
rampant inflation that
followed.
