*The One Kingdom Swans War*

"The One Kingdom" is the first book in "The Swan's War" trilogy, and I thought it was a solid epic fantasy debut although I thought there were a few holes in the world building that I'm hopeful the author will explore in the remaining novels. While I enjoyed the story, the Kindle formatting was a bit jarring.

*The One Kingdom (The Swans' War, Book 1): Russell, Sean ...*

Sean Russell's strength of slowly stitching together a story with crafty and subtle characterization rather than non-stop action almost works to his disadvantage in book one of The Swan's War trilogy. The story meanders and branches mysteriously like the river along which the essential plot elements unfold, with barely a stretch of white water.
