product of literary translation, incorporating both practical advice for translators and theoretical discussion on the role translations play in the evolution and interpretation of literatures.

Translating Literature | Modern Language Association

Throughout the 1980s interest in the theory and practice of translation grew steadily. Then, in the 1990s, Translation Studies finally came into its own, for this proved to be the decade of its global expansion. Once perceived as a marginal activity, translation began to be seen as a fundamental act of human exchange.
