Think of all the positive expletives you would use to describe a great fantasy and apply them to The Tyrants Throne! Falcio, First Cantor of the Greatcoats, and Kest, and Brasti, swashbuckling comrades and best friends, fight to have Aline, the daughter of their beloved dead King Paelis, crowned queen.

Tyrant's Throne was everything I hoped it would be for the last book of the Greatcoat series. Heartfelt, funny with clever plot and beautiful writing. Joe James did remarkable job as narrator. I read first three books but after his performance I wish I listened to them as well. Highly recommend.

Tyrant's Throne was one of the most satisfying endings to a series that I've had the privilege of reading. At the start of the series in Traitor's Blade, we have this trio of best friends; magistrates called the Greatcoats, or less affectionately known as Trattari, scorned by the people of Tristia and on a mission to further the obscure plans of their executed King in honour of his dreams of a better country.

A few days after the horrifying murder of a duke and his family, Falcio val Mond, swordsman and First Cantor of the Greatcoats, begins a deadly pursuit to capture the killer. But Falcio soon discovers his own life is in mortal danger from a poison administered as a final act of revenge by one of his deadliest enemies.

swashbuckling adventures that have gathered praise from fantasy publications, readers, and bestselling authors.

[Amazon.com: Customer reviews: Tyrant's Throne: The ...](#)

Traitor's Blade, his award-winning debut novel, the first in his bestselling series The Greatcoats, is followed by Knight's Shadow, Saint's Blood and Tyrant's Throne. He is also writing a YA series, starting with Spellslinger.

[Sebastien de Castell - Swashbuckling Fantasy Author](#)

Saint's Blood is the third book in Sebastien de Castell's Greatcoats series and I highly recommend that you read the first two books Traitor's Blade and Knight's Shadow as they are both quality reads that are well worth your time.
