Hoyle's Official Book of Games: Volume 2 is the next volume in the Hoyle card games simulator series by Sierra Entertainment.This time, the pack offered 28 games, as opposed to the first volume's six. The other main difference between the two was that all the games were solitaire variants, so there was no option for choosing opponents. Subsequently, the game did not feature any Sierra ...

The Ultimate Book of Family Card Games: Ho, Oliver ...

This is NOT a family card game book. It's a collection of card games gathered from around the world with extremely complicated rules and special cards or decks or point systems. Many of them the author has already designated as HARD. About half of them are betting games which is against several religions and inappropriate for children.
