Understanding Your Life Through Color (□□)
Understanding the color wheel and color harmonies (what works, what doesn't and how color communicates) is just as exciting as that new box of crayons. No really. Being able to understand the terms and processes that go along with color will help you knowledgeably communicate your vision with your designer, printer, or even (maybe) an Apple Store Genius.

Understanding Your Life Through Color: Concepts in Colors ...
And by comparing her own readings, she discovered that people having the same Life Ring Color had the same trials and personal life growth process issues. This is why i enjoyed the book so much---she turned her observations into a science. And rarely, through much effort at personal growth, a person's life color could change.
