The Vampire Chronicles is a large enough series that keeping things straight is near impossible. I would recommend this for roleplayers, and for fans who enjoy discussion of the series. While the Companion is large and full of detail, there are points where I wish that it had more; in addition, it is only updated for Memnoch the Devil, and I would have preferred something which included all of the series.

The meaning of The Vampire Chronicles is still unfolding for me, and is as much connected to God as to the Devil, as much connected to pleasure as to pain. That the books are entertainment seems a given, and for that I'm grateful. That they can be seen as a religious journey is also clear. I am immersed in the question
