Viking Identities: Scandinavian Jewellery in England ...

Viking Identities is the first detailed archaeological study of Viking-Age Scandinavian-style female dress items from England. Based on primary archival and archaeological research, including the analysis of hundreds of recent metal-detector finds, it presents evidence for over 500 brooches and pendants worn by women in the late ninth and tenth centuries.

Jane Kershaw, Viking Identities: Scandinavian Jewellery in England (Oxford University Press, 2013) Julian D. Richards, Viking-Age England (The History Press, 2004)

Viking Identities - Jane F. Kershaw - Oxford University Press

This book is the first detailed archaeological study of Viking-Age female jewellery in Scandinavian styles found in England. Based on primary archival and archaeological research, it presents evidence for over 500 brooches and pendants, brought to light through recent metal-detecting. The book describes these artefacts and considers a number of themes related to contemporary use, including ...
