Preparing for the sub stage: Sub stages are the regular viva voce that are held once every two weeks or so. The class is divided into 10-15 student batches, and each batch gives their viva voce to a certain examiner. Sub stages are lesser course, more tension. So the best way of preparing for them is to do them along with the lectures.

*Final reflection session (viva voce)*

Defending a doctoral thesis and facing viva questions is a very critical part of every research scholar. After the submission of your thesis, you will be asked to defend your research work in the “final viva voce”. Defending your master thesis in front of the domain experts, co-scholars, and students is a quite interesting experience.

*BDS First Year - A walkthrough (Part I)*

For most of the first year BDS students, viva is something very new. Oral examinations [viva or viva-voce] are becoming more common throughout most of other professional degree courses too. This viva voce serves as an excellent tool to appreciate student's understanding of a subject and their ability to verbally explain the subject to someone else.
