"Risk taking is often considered acceptable, even desirable masculine behaviour. For women, on the other hand, it is not only seen as unfeminine, but as potentially the behaviour of a 'loose' woman." — Shilpa Phadke, Why Loiter?: Women and Risk on Mumbai Streets

Why Loiter Women And Risk

The idea that women have a right to take risks, to loiter and denying them that is to deny them citizenship, is truly commendable. The book also argues that keeping women 'safe' in sheltered spaces, limiting their access to public spaces is a kind of violence, similar to the kind they may face otherwise.

Why Loiter on Women's safety in Mumbai

Going beyond the problem of the real and implied risks associated with women's presence in public, they draw from feminist theory to argue that only by celebrating loitering—a radical act for most Indian women—can a truly equal, global city be created.

Why Loiter? Women and Risk on Mumbai Streets

Women and Risk on Mumbai Streets" is a book that is truly powerful in its potential to generate debate, and perhaps to create a transformative change in the way we perceive public spaces in India. Lucid and compact, the book was born out of a three year research project titled Gender and Space, undertaken by the authors Shilpa Phadke, Sameera Khan and Shilpa Ranade .
