Amazon.com: Women Who Think Too Much: How to Break Free of ...

I don't know why it is titled : "Women who think too much". I think the book is relevant to both men and women. I am really glad to have read this book.. it doesn't really answer all questions, but it gives good advises to beat overthinking.. I am sure, I shall read it again some time soon.

Women Who Think Too Much | Open Library

Susan Nolen-Hoeksema (May 22, 1959 - January 2, 2013) was an American professor of psychology at Yale University. Her research explored how mood regulation strategies could correlate to a person's vulnerability to depression, with special focus on a construct she called rumination as well as gender differences.
